

Free Lodging:

Paramedic Students & Agencies can stay for FREE Monday, June 8th and/or Tuesday, June 9th. Lodging is male or female barrack style and **non-air conditioned** in the Encampment Building.

There are two dormitory wings located on the second floor of the encampment building. One wing accommodates the boys and the other wing accommodates the girls. Both wings have restroom and shower accommodations. Each wing has four rooms with a total sleeping capacity of 72 people per room (288 per wing) if all 3 bunks are used. Typically, only the bottom 2 bunks are used for sleeping which brings the capacity of each room to 48 (192 per wing).

There are three smaller rotunda rooms that sleep an additional 8-15 people each. Two of these rooms feature private restroom/shower accommodations.

YOU WILL NEED TO BRING: bedding (pillow, sleeping bag, and sheets) and toiletry items such as towels and soap. **A battery operated fan is a good idea as there are limited outlets.**
