

Hutchinson Community College uses the National Student Clearinghouse for our transcript ordering service.

You can order your transcript by going to www.getmytranscript.org then choosing Hutchinson Community College from the drop down menu.

It is strongly suggested you sign into your Dragon Zone account at <https://dz.hutchcc.edu> to confirm no holds are on your account to expedite the requesting process. If a hold is not cleared promptly the request will be canceled. You can print your unofficial transcript from your Dragon Zone account.

Though we require students to use the National Student Clearinghouse to request their transcript to be sent, we understand there are rare occasions when a student is unable to order their transcript through the Clearinghouse. For these cases we are leaving the old paper request form available for students to access online.

Please do not use this attached form unless you have contacted the HutchCC Records Office first. You can call HutchCC Records at 620-665-3520 or email records@hutchcc.edu.

Thank you,

Hutchinson Community College- Records Office
